Direct Pay Authorization

125 S Main Street
Vineyard, UT 84058

info@vineyardtown.com

The direct pay program is designed to make paying your utility bill easy, convenient, and to save you time and money. The direct pay program will automatically withdraw your utility payment directly from your financial institution each month. As an incentive for participation in this program, Vineyard Town will waive the \$20.00 utility application fee if you sign up. PLEASE ATTACH A VOIDED CHECK TO THIS FORM.

Things to know about Direct Pay:

- On your utility bill the following message will appear: 'Automatic Payor'. This is your notification that direct pay has been activated and the next payment will be automatically deducted from your checking or savings account. (If you are a current customer and you are switching to direct pay after the 15th of the month, you will need to manually pay your current payment.)
- You must keep this payment arrangement in place for no less than 6 months from the date you sign this agreement or your account will be charged the \$20.00 utility application fee.
- You are authorizing the Vineyard to debit your checking or savings account for all monthly charges for utility services.
- If there are NOT sufficient funds in your checking or savings account to cover your bill, your utility account will be charged \$10.00 for Non-Sufficient Funds (NSF).
- Promptly notify Vineyard of any change to your checking or savings account. If a change occurs, it is your responsibility to provide Vineyard with the updated account information.
- Two refused electronic fund transfers may cancel this agreement at the sole option of the Vineyard.
