RE: Appeal to the State Records Committee

Dear Mr. Nair:

The State Records Committee has received an appeal from Mr. Herring. I understand he is requesting access to records related to lake restoration. This is to inform you that a hearing is scheduled for **October 20th, 2022**. The meeting is expected to be held in person at the Taylorsville State Office Building, with optional virtual attendance using Zoom.

You are required to submit to me, no later than five business days prior to the hearing, a written statement of facts, reasons, and legal authority supporting your position. Under Utah Code 63G-2-403(5), you must also send copies of the same statements to the petitioner by first class mail.

Please keep presentations before the State Records Committee to the subject of record access. The Committee, under the authority of Utah Code 63G-2-403(9)(a), may review the disputed records in camera. **Therefore, please have the records in question available at the hearing and Bates stamped.**

If you have any questions please contact me, and if you are interested in mediation contact the state government records ombudsman, Rosemary Cundiff, at (801) 531-3858 or rcundiff@utah.gov.

Sincerely,
e/s: Rebekkah Shaw

Rebekkah Shaw
Executive Secretary
State Records Committee
